

Welcome!

Dear guest, welcome to Rustic Restaurant!

Feed with ease your soul and body: the soul with pleasing details
that emphasize the location's distinctiveness, the body with
moldavian foods, prepared following
varied authentic recipes.

Cherish the wooden tables, with carved adornments, the pottery
mugs and the table napkins created to accurately replicate
the good old days feature! Value the bas reliefs signed
by Daniel Les in the hidden booth named after old
time trends: La Pescar (At the Fisherman's),
La Brutar (At the Baker's), La Hangita
(At the Innkeeper's) and La popi
(At the Vicar's) -, and those
that embellish the big hall!

No matter where you decide to dine, you're respectfully invited
to look into this menu and choose those traditional dishes to
brighten both your soul and body!

Please keep in mind you can place your last order at 22:00.

Enjoy!
